Miss Edith Kermit Roosevelt  
NEWARK STAR-LEDGER

Dear Miss Roosevelt:

I have your letter of 28 August and we are glad to place your name on our mailing list to receive the texts of my speeches and any other publications that the Agency makes available to the public. I am also enclosing a copy of the recent talk that I made before the VFW in Detroit. Throughout the year, some speeches are made by me and by other senior officials, and in such cases, a copy will be sent to you as you requested.

You represent an excellent group of papers and it will be a pleasure for us to send you this material.

With kindest regards.

Sincerely,

Allen W. Dulles  
Director
